PROFILE

Motivated Data Science enthusiast with strong expertise in Machine Learning and Computer Vision, seeking to contribute to innovative, data-driven solutions. Eager to leverage hands-on experience in predictive analytics and real-world projects to drive measurable business impact and organizational growth.

TECHNICAL SKILLS

Programming Languages: Python, C, Java

Web Technologies: HTML, Django

Database: SQL

Framework: TensorFlow

Cloud: Amazon Web Services

Soft Skills: Communication, Problem Solving

PROJECTS

SmarTex — Texathon 3.0 March 2025

- Built and trained an ML model using Python in Google Colab to analyze machinery data, identify failure patterns, and predict maintenance requirements, improving equipment reliability and reducing downtime.
- Tech: Python, Machine Learning, Google Colab, Predictive Analytics

Railway Management System April 2024

- Developed a Railway Management System using PHP integrated with MySQL to manage train details, schedules, passenger records, and ticket bookings with efficient database operations.
- Designed a responsive front-end using HTML and CSS, enabling user-friendly interfaces for searching trains, viewing schedules, and submitting booking information.
- Tech: PHP, MySQL, HTML, CSS, Database Management

EXPERIENCE

Data Science Intern — Ether InfoTech, Coimbatore 12 June 2025 – 26 June 2025

- Gained hands-on knowledge of Data Science fundamentals
- Data collection, data cleaning and data preprocessing
- Exploratory Data Analysis and basic statistical concepts
- Python-based data analysis and data visualization
- Introductory machine learning workflows

EDUCATION

B.Tech — Artificial Intelligence and Data Science, Dr. Mahalingam College of Engineering and Technology, Pollachi (Affiliated to Anna University) 2023 – 2027 — CGPA 8.1/10 (till 5th semester)

Higher Secondary Certificate, Mother's Matriculation Higher Secondary School, K R Palayam — Tamil Nadu State Board 2022 – 2023 — 82%

Secondary School Leaving Certificate, Mother's Matriculation Higher Secondary School, K R Palayam — Tamil Nadu State Board 2020 – 2021

CERTIFICATIONS

- ML Model Implementation
- Data Visualization
- Cisco Networking for Data Science Beginner

- Data Handling
- LinguaSkill English Language Test
- CEFR B1 Level — Cambridge Assessment English (30 May 2024)
